

## TEAM DEALER ACCOUNT APPLICATION

OC Sports adheres to a controlled Distribution Policy and only sells through Authorized Dealers and Distributors. To become an Authorized Dealer, you must be a reseller of team equipment and uniforms to baseball leagues, sports organizations, and schools.

Your application will receive careful consideration once we receive both your application AND photos of:

- Your storefront (including signage)
- Your sales floor which shows both the team uniforms *and* equipment that you sell to leagues

Due to licensing restrictions, home-based businesses and internet-only businesses do not qualify as OC Sports Team Dealers.

Your application and photos are to be emailed to **TeamDealer@OCSports.com** (Please reduce the file size of your photos so your email is less than 10MB in size.) Once the above has been completed, an OC Sports sales representative will contact you to determine if you meet our qualifications to become an OC Sports Team Dealer.
