

STATEMENT OF SUPPORT

Outdoor Cap is committed to a safe and secure supply chain by supporting the Customs Trade Partnership Against Terrorism (C-TPAT), a voluntary United States Customs and Border Protection business initiative designed to build cooperative relationships to strengthen the supply chain, border security and continued free flow of international trade.

Outdoor Cap received its C-TPAT certification in June 2005 from U.S. Customs and Border Protection. Additional CTPAT information can be found by visiting the U.S. Customs and Border Protection site at: <http://www.cbp.gov/xp/cgov/home.xml>

Outdoor Cap Company, its executives, management, and other policy-makers commit to participate in the Customs Trade Partnership Against Terrorism "CTPAT" program, and to implement, follow, and maintain procedures, and practices consistent with the CTPAT Importer Security Criteria enforced by Customs and Border Protection.

CTPAT impacts nearly every department within our organization as well as outside entities such as carriers and foreign suppliers. Security is everyone's responsibility. All Outdoor Cap Company employees, contractors, service providers, visitors, and others are expected to comply with the CTPAT Importer Security Criteria as well as any policies, procedures, and instructions issued by Outdoor Cap.

Sincerely,

Jeanelle Harris
President
